FOR IMMEDIATE RELEASE

Morbark Offers Incentives on Tree Care Equipment

Winn, Michigan (September 2, 2009) – Morbark, Inc., an industry-leader in brush chippers and stump grinders, has launched an incentive program to help customers and support dealers. The incentive campaign runs through November 30, 2009 and offers three diverse programs to aid customers with purchasing in unstable economic times.

Options include guaranteed minimum trade-in allowances, low interest financing with seasonal deferred payments, or customizing your own package.

Jason Showers, Morbark Tree Care Equipment Manager, explains, “Everyone's needs are different. The new incentive programs were designed with the flexibility to assist our dealers and customers choose the best program for the customers’ needs.”

The incentive programs provide flexibility and create opportunities for both customers and dealers to continue operating their businesses profitably. Eligibility requirements apply. Please visit www.morbark.com for more information and click on the “Incentives” link.

About Morbark:

Morbark, Inc., based in Winn, Michigan has been innovating and manufacturing durable, high performance equipment for the forestry, recycling, tree care, and sawmill markets for over 50 years.
