Morbark Announces New Dealer in Southeast

Winn, Michigan (July 26, 2010) – Morbark, Inc. is pleased to announce that Tidewater Equipment Company has recently joined its dealer family as a distributor of Morbark industrial equipment. The partnership further expands the Morbark dealer network benefitting the many Morbark customers located in the southeastern region of the country.

Tidewater Equipment will be covering all of South Carolina (minus York County) as well as parts of Florida and Georgia. Tidewater has a team of factory-trained mechanics who are capable of performing repairs in-house or in the field. Additionally, they maintain an extensive parts inventory.

Tidewater's corporate office is located in Brunswick, Georgia. Branch locations selling and servicing Morbark equipment include Forsyth, Hazlehurst and Thomasville, Georgia; Conway, Walterboro and Newberry, South Carolina; and Starke, Florida.

“The folks at Tidewater Equipment share the Morbark commitment to selling and supporting equipment that gives customers outstanding productivity, maximum uptime and low daily operating costs,” comments Kevin Yuncker, Morbark Southeast Regional Manager. “In addition, they know the southeastern equipment market and have very good relationships with customers.”

“We feel that we can give Morbark customers a strong dealer presence in the area,” Jamie Young, President of Tidewater Equipment, explained. “We’re a full-service dealer and our first priority is to make sure the customer is happy.”
